August 2024 AT SCALE UP!

A month of growth and renewed vision at Scale Up, where we continue to build on our foundation of excellence and teamwork

Namaste,

As we reflect on the month of August, I am filled with a deep sense of pride in what we are accomplishing together. This past month has been particularly inspiring as we revisited our core values and strengthened our team with new talent. I am confident that the steps we are taking now will lead us to even greater heights in the months ahead.

With warm regards,

Saumil Surendra Parikh
Founder, Scale Up

Think Trip

This month, **the founders of Sattvic Wealth Bharat Fund**—Saumil, Jaishank and Harish—embarked on a 3-day think trip. This journey is a vital part of our process, undertaken every quarter to rekindle our vision and strategize for future growth. These trips fuel our determination and ensure that our path forward is clear and focused.

New Comers

We are thrilled to welcome two exceptional professionals to the Scale Up family—**Saumya and Nilesh**. Nilesh, a Chartered Accountant (C.A), and Saumya, with 17 years of experience in banking operations, bring invaluable expertise to our team. They were warmly welcomed by Manisha Jain, our FPI team head and a CMA. Saumya and Nilesh will be overseeing the trading operations of our offshore fund, and we are excited to see the impact they will make.

Cake Cutting and Felicitation

August was a month of celebrations! We celebrated the birthdays of our dear team members **Nikita, Sharvi, and Komal**. As always, the cake didn't last more than 10 minutes—a testament to the joy and camaraderie in our office.

We also took a moment to recognize our best trader of the month, whose dedication and skill continue to inspire us all.

Quote of the Month

"The degree to which a person can grow is directly proportional to the amount of truth they can accept about themselves without running away."

—Leland Val Van De Wall

That's all for August!
