Scale Up at IOC 6.0 – Indian Options Conclave

Our team had the privilege of attending **IOC 6.0 in Surat**, one of the most prestigious gatherings in the financial world.

Held on March 21-22, 2025, at the **SIECC Convention Centre in Surat**, Gujarat, this premier event was organized by Jainam Broking Limited and attracted over **15,000 attendees** from across India.

As one of the largest gatherings for options traders and investors in the country, it provided invaluable insights, networking opportunities, and cutting-edge discussions on market strategies.

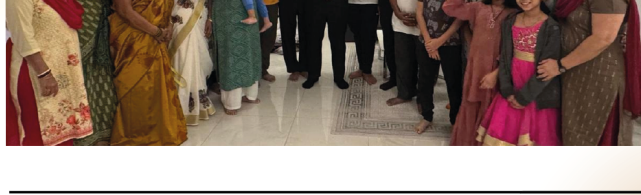

One of the biggest milestones of IOC 6.0 was the **Guinness World Record** set by **Jainam Broking Limited** for conducting the single **Largest Financial Investment Session**, with 5,293 participants in attendance.

Bahrain Business Trip

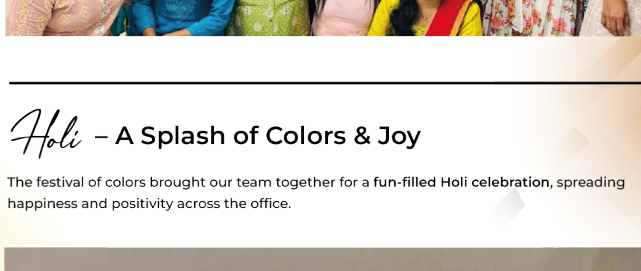

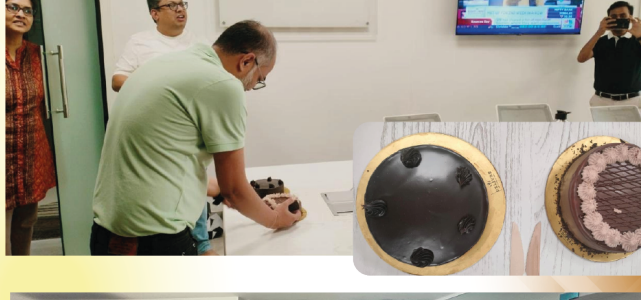

Partners Harish Menon, Mr. S.N. Dalal, and Jaishank Gupta traveled to Bahrain for meetings with ultra HNI investors and family offices for the Sattvic Fund.

Adding a spiritual touch to our journey, we also attended a Krishna Kirtan—a truly special moment.

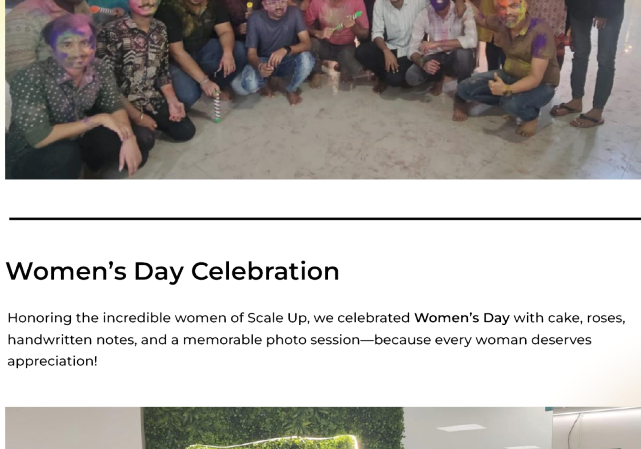

Birthday & Gudi Padwa Celebrations

We celebrated the birthday of our beloved team member, Amit Chauhan, with great warmth and enthusiasm. The team also welcomed the New Year with Gudi Padwa, marking new beginnings and prosperity.

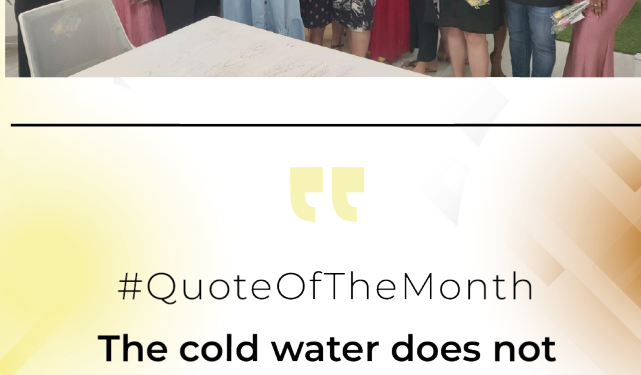

Holi – A Splash of Colors & Joy

The festival of colors brought our team together for a fun-filled Holi celebration, spreading happiness and positivity across the office.

Women's Day Celebration

Honoring the incredible women of Scale Up, we celebrated Women's Day with cake, roses, handwritten notes, and a memorable photo session—because every woman deserves appreciation!
