Namaste,

May was a month of global momentum and celebration. From international meetings to entering new markets, we're excited about the directions we're headed in, always with a deep sense of purpose and vision.

### London Trip – Building Global Bridges

Our founders, Saumil Parikh and Harish Menon, unlocked new opportunities during their London visit, paving the way for deeper client relationships, pitched the Sattvic Fund to new prospects, and initiated partnerships with UK-based investment managers focused on India-specific opportunities.

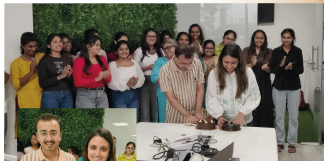

### US Market Trading – Now Live from GIFT City

This month, we officially started trading in US markets via our GIFT City fund, marking a significant milestone in Scale Up's international investment capabilities.

### *Celebrations* – Cake Cutting & Housie Fun

The team came together for some well-deserved joy with a birthday cake cutting followed by a lively game of Housie, keeping the Scale Up spirit high and connected.

#QuoteOfTheMonth

To say 'I don't have time' is like  
saying 'I don't want to.'"
