

SCALE UP
PROPRIETARY TRADING

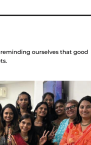

Namaste,

October was a month of celebration, learning, and meaningful connections at Scale Up.

From festive moments that brought us together to inspiring sessions that shaped young minds, the month truly reflected our belief that growth happens in many forms, professional, personal, and collective.

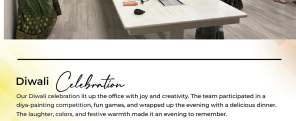

Warm Regards,

Saumil Surendra Parikh

Dussehra Celebration

We celebrated Dussehra with enthusiasm and positivity, reminding ourselves that good always triumphs over challenges in life, and in the markets.

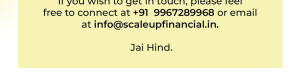

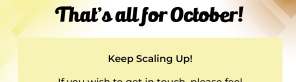

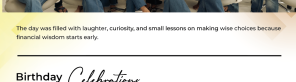

Diwali Celebration

Our Diwali celebration lit up the office with joy and creativity. The team participated in a diya-painting competition, fun games, and wrapped up the evening with a delicious dinner. The laughter, colors, and festive warmth made it an evening to remember.

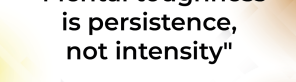

HOA Kids Event – Catch 'Em Young

House of Alpha team hosted Catch 'Em Young, a fun and interactive financial literacy session for our clients' children, introducing them to the basics of money, saving, and value through engaging games and stories.

Birthday Celebrations

We ended the month on a cheerful note by celebrating our team's birthdays. The office was filled with laughter, good vibes, and of course cake! A small celebration to appreciate the people who make Scale Up what it is.
