### Sattvic Wealth Client Dinner – Dubai

Sattvic Wealth had the pleasure of hosting an exclusive client dinner in Dubai. The evening was marked by engaging conversations, shared perspectives on markets, and strengthening long-term relationships built on trust and aligned vision.

### X'MAS Party & Team *Celebrations*

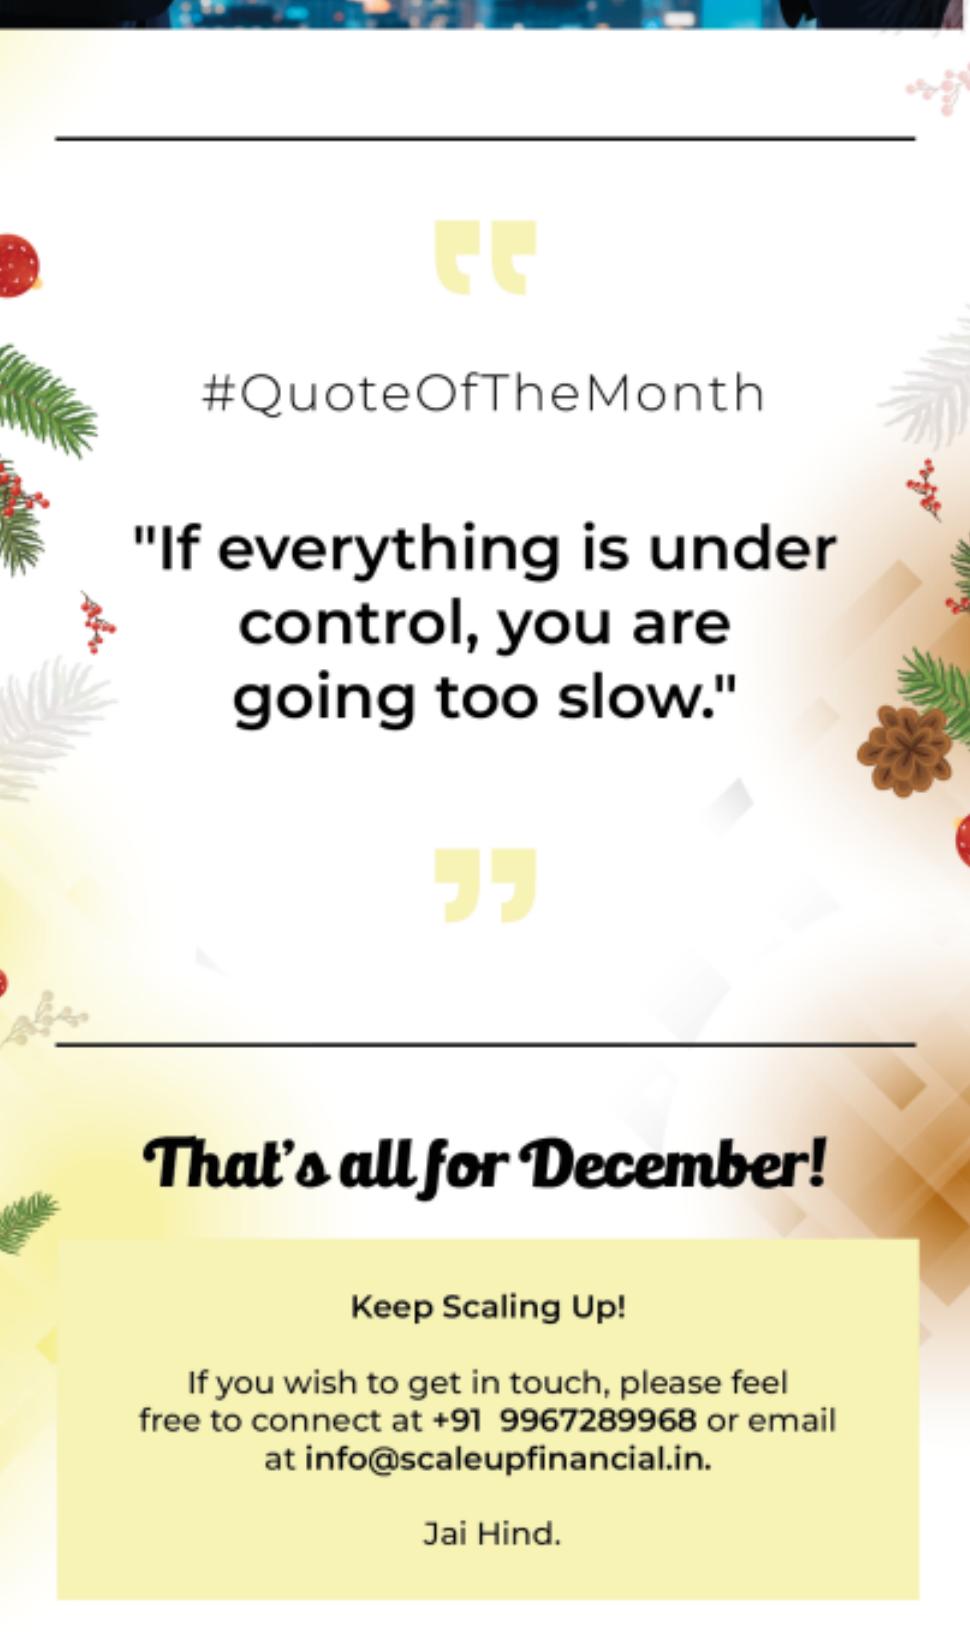

December came alive with our Christmas party celebrations, where the team dressed in red and participated in fun games and activities.

We also celebrated December birthdays with cake cutting and made the month extra special by cheering for our teammate Sneha as she embarked on her bachelorette celebrations, lots of smiles, laughter, and memories all around.

### Sattvic Wealth Expands into Global Commodities

This month marked another important milestone as Sattvic Wealth commenced commodity trading on COMEX in the US markets, with active participation in Gold, Silver, Crude Oil, and Natural Gas, further strengthening our global market presence and diversified approach.
